MR TOM FERN:

AS A 80 YEAR RESIDENT OF THE STATE OF WASHINGTON AND AS A VISITOR AND FISHERMAN AT THE HANFORD REACH, THIS LAST FREE FLOWING SECTION OF THE COLUMBIA IS A WILDLIFE AREA-A SALMON SPAWNING AREA AND A SCENIC RELATIVELY UNspoiled PART OF OUR STATE.

KEEP IT THAT WAY!

I ASK YOUR SUPPORT TO oppose ANY PLAN, SCHEME, ENDORSEMENT OR PRESSURE TO PROMOTE ANY PLAN TO "DEVELOP" DIVIDE OR COMMERCIALIZE IT ANY WAY.

PLEASE USE YOUR POSITION OR INFLUENCE TO DESIGNATE THIS AREA AS A NATURAL, SCENIC, "UNDEVELOPED" WILDLIFE REFUGEE!

IN PERPETUITY

SINCERELY,

Carol R. Dorn
